Dear Anand:

Thank you for participating in Bruce Barringer's book *Entrepreneurship: Successfully Launching New Ventures*, 2/e. We understand how busy entrepreneurs are and we appreciate you taking time out of your schedule to talk to Bruce about your experiences. We hope that by featuring your inspiring story in our book, we will be able to motivate other students to become entrepreneurs themselves. I'm enclosing a copy of the book with this letter. I hope you enjoy it!

I would also like to thank you for contributing to the audio supplement to accompany the book. Once that project is finalized later in the Spring, I will send you a copy for your files.

We wish you the best as you grow your business! If you have any questions or comments, please feel free to contact us.

Best regards,

A handwritten signature in cursive script that reads "Claudia Fernandes".
